It was moved that the Polls be closed at 6:30 P. M.
Passed in the affirmative.

Minutes taken by

DOROTHY TRAVIS,

Town Clerk.

REPORT OF THE SELECTMEN

Your selectmen are pleased to report that practically everything the voters instructed them to do, at the last town meeting, has been done.

One project which remains uncompleted is the well and pump at the Town Hall. Because the well had not been sealed off and capped when originally drilled and because of the elevation of the well in relation to the Town and Grange Halls, some serious problems were encountered. There is an Article in the warrant for additional funds for this project. When this Article comes up for discussion at Town Meeting it will present the opportunity for the Selectmen to give you the details of the problems and answer any questions which arise on the subject.

We have not completed the boundary agreements with abutters to the area designated as the town recreation area at Pawtuckaway Lake. We hope to reach satisfactory arrangements in the very near future and be able to proceed with the completion of this project.

We want to thank all Town Officers for their good work and fine cooperation during the past year.

The town planning board deserves extra commendation for the work they have done this year. They have devoted much time, thought and study to carrying out the instructions of the voters in completing the recommendation for a zoning ordinance. The selectmen think the planning board has done a fine job and deserves a great deal of credit for the time and effort they have put into the job.

At the last Town Meeting your selectmen were instructed to prepare the Town Reports showing the detail of expenditures in each department. This has been done. It should be noted, however, that detailed reports like this substantially increase the cost to the Town.

ZONING ORDINANCE FOR THE TOWN OF NOTTINGHAM, NEW HAMPSHIRE

An ordinance to promote the health, safety, morals, convenience and general welfare of the community in regulating the use of land in the Town of Nottingham.

ARTICLE I

Preamble

In pursuance of authority conferred by Chapter 31, Sections 60-89, N. H. Revised Statutes Annotated, 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy in the process of development, of the inhabitants of the incorporated Town of Nottingham, New Hampshire, by securing safety from fire, panic, and other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means, now therefore the following ordinance is hereby enacted by the voters of the Town of Nottingham, New Hampshire, in official annual meeting convened.

ARTICLE II

Districts

For the purpose of this ordinance the Town of Nottingham is divided into districts as shown on the zoning map

filed with the Town Clerk and dated ———, and including the following: (1) General Residence and Agricultural District; (2) Lake Residence District; (3) Recreational Camp District.

ARTICLE III

General Provisions

1. No junk yard or place for the storage of discarded machinery, vehicles, or other scrap material shall be maintained in any district.

2. No owner or occupant of land in any district shall permit fire or other ruins to be left, but shall remove the same to ground level within one year, or shall rebuild, repair, or replace the structure.

3. Existing gravel, clay, and sand pits are permitted, but no new such pits may be opened along state highways unless they are set back at least 50 feet from the edge of the right of way.

4. Any use that may be obnoxious or injurious to the town welfare by reason of production or emission of odor, dust, smoke, refuse matter, fumes, noise, vibrations or similar conditions, or that is dangerous to the comfort, peace, health or safety of the community, or tending to its disturbance or annoyance, is prohibited.

5. Sanitary Protection.

(a) No privy, cesspool, septic tank, or sewage disposal area, shall be constructed or maintained less than 75 feet from the edge of a public water body, from a well, or from a dwelling other than that to which it is appurtenant.

(b) No waste waters or sewage shall be permitted to run free into a stream or public water body or be discharged in any way that may be offensive or detrimental to the health of others. All such waste shall be conveyed away underground through use of an accepted sanitary system or in such a way that it will not be offensive or detrimental to health.

(c) All dwellings and sanitary systems shall be constructed and maintained in accordance with the standards set and enforced by the New Hampshire State Department of Health and by the New Hampshire Pollution Commission.

ARTICLE IV

General Residence and Agricultural District

The General Residence and Agricultural District shall enjoy the following provisions:

1. It shall be mainly a district of farms and residences.

2. Home produce and products may be bought and sold and exposed for sale in this district. Roadside stands incidental to such sales are permitted.

3. Tourist homes may be maintained and operated.

4. Residences may be used to house such uses by the owner or tenant as offices for doctor, veterinarian, engineer, architect, lawyer, real estate and insurance, or other recognized profession, or such home occupation as hairdressing, dressmaking, manufacture of craft products for sale, or manufacture of food products.

5. Churches and schools are permitted.

6. General farming, including horticultural, dairying, livestock and poultry raising, and other agricultural enterprise or uses, or the raising of animals for other purposes are permitted.

7. *Lot Area Requirement:* Every building lot shall have a minimum lot frontage of 100 feet, except that, where lots are located on the exterior of a curving street, a shorter front dimension shall be permitted, provided that the average width of the lot measured across its center shall be at least 100 feet.

Set Back. There shall be between the centerline of the nearest right of way and the extreme front of any building a

minimum distance of 35 feet. No new building shall be located nearer than 10 feet of the property line.

Minimum Land Area. No lot shall be less than 20,000 square feet in area, with a frontage of 100 feet and a depth of 200 feet, provided, however, that a lot with less frontage and depth which is recorded and taxed as a lot of record at the time of passage of this ordinance shall be deemed a conforming use.

8. Property owners of business, profession, or service enterprises shall be allowed two advertising signs, such signs not to total over 15 square feet in area for each sign. One or more signs pertaining to the lease, sale or use of a lot or building on which placed, or signs dealing with business located within the town, shall not exceed a total area of five square feet.

ARTICLE V

Lake Residence District

The Recreational Residence District shall enjoy the following provisions:

1. It shall be mainly a district of single family dwellings for recreational and seasonal use.

2. No dance halls, or amusement centers, shall be permitted in this zone. Commercial uses limited to gas sales, boat liveries, and grocery facilities may be permitted in Lake Residence Districts provided the application and site meets the approval at a public hearing of the lake improvement association concerned, the Selectmen and the Board of Adjustment.

3. No trailer parks shall be permitted in this zone, but singly sited mobilehomes are permitted, provided they meet the lot area requirements, set backs, and sanitary requirements for all single family dwellings.

4. *Lot Area Requirement:* Every building lot shall have a minimum width at the building line of 100 feet. No lot shall be less than 15,000 square feet in area, provided,

however, that a lot of lesser area which is recorded and taxed as a lot of record at the time of passage of this ordinance shall be deemed a conforming use.

Set Back: There shall be between the centerline of the nearest right of way and the extreme front of any building a minimum distance of 25 feet.

No new building shall be located nearer than 10 feet of the property line.

5. No advertising signs shall be allowed in this District except for signs pertaining to the lease, sale, or use of a lot or building on which placed, and no such sign shall be of greater size than four square feet.

6. Lake Residence Districts shall be considered as extending 1,000 feet in depth landward from the usual water line.

ARTICLE VI

Recreational Camp District

The Recreational Camp District shall enjoy the following provisions:

1. It shall be a district for the accommodation of adult camps, boys' and girls' camps, and public park facilities.

2. Attendant commercial enterprises to camping and park use, including the sale of food and beverages to patrons, and the rental of boats, are permitted.

3. No lot sizes are stipulated for this zone, since it is contemplated that the land will be held in large tracts for a common camp use. In the event that land in this zone is to be subdivided into individual building lots, the land area requirements set forth in the Lake Residence Zone shall be observed.

ARTICLE VII

Non-conforming Uses and Buildings

Any non-conforming use may continue in its present use, and may be extended or enlarged, or converted to an-

other non-conforming use by permission of the zoning board of adjustment, after a public hearing.

In granting permission for extensions or enlargements, the Board shall assure itself that the proposed changes will not have an adverse effect on neighboring property or on traffic circulation, and that it will not constitute a hazard to the public safety.

ARTICLE VIII

Enforcement

1. It shall be the duty of the Board of Selectmen and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

2. The Building Inspector shall issue any and all building permits requested when such permit is in accordance with the provisions of this Ordinance.

3. After passage of this Ordinance, it shall be unlawful to erect any structure, or building, or alter the bulk of any building or relocate any building except accessory building, in any District without first obtaining a building permit from the Building Inspector.

4. No permit shall be required for remodeling where the purpose for which the building is to be used is not changed.

5. Upon any well-founded information that this Ordinance is being violated the Board of Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other legal action.

ARTICLE IX

Board of Adjustment

Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties to the pro-

visions of Chapter 31 of the N. H. Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing Authority shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment. The Board of Adjustment here provided shall conform in membership and term of office to the provisions of Section 67, Chapter 31, N. H. Revised Statutes Annotated, 1955. In addition to the general powers granted said Board of Adjustment by said Chapter 31, it may, in harmony with and subject to its provisions:

A. Waive the General Residence and Agricultural District frontage requirements where there are unusual conditions of street curvature, topography, or subsurface conditions. In such cases, however, the average width of the lot shall be equal to or greater than the frontage requirements.

B. Permit in the General Residence and Agricultural District an industry, which, after public hearings, proves it can meet the following requirements:

1. Be located at least 50 feet from the center of any right of way, and not less than 50 feet from each side and rear boundary,
2. Provide adequate off-street parking facilities for freight and delivery trucks and for employees.
3. Will not offend by reason of the omission of smoke, dust, gas, noise, odor, or fumes.

C. Permit in the General Residence and Agricultural District the following commercial uses:

1. Lodging houses, apartment houses, hotels, inns, motels, tourist courts and cabins, including such retail business within these permitted buildings as are conducted for the convenience of the residents or guests;
2. Shops, restaurants, and other retail establishments;
3. Garages, parking lots, and filling stations;
4. Business offices;
5. Theaters, outdoor theaters, halls, clubs, amusement centers;

Which, after public hearing, prove they can meet these requirements:

1. Be located at least 50 feet back from the center of any right of way, and not less than 10 feet from each side and rear boundary.
2. Provide adequate off-street parking facilities for delivery trucks and for employees and customers.
3. Will not offend by reason of bright unshaded lights, noise, odor, or fumes.
4. Will not constitute a traffic hazard to the users of the adjacent road or highway.

D. Permit, in the General Residence and Agricultural Zone, Trailer or Mobilehome Parks which, after public hearing, prove they can meet the following requirements:

1. Satisfy the stipulations of the sanitary laws and regulations of the State Department of Health in reference to mobilehomes and trailer parks;
2. Provide a minimum space allocation of 7,000 square feet for each mobilehome space.

ARTICLE X

Amendments

This ordinance may be amended by a majority vote of any legal Town Meeting when such amendment is published in the warrant calling for the meeting, and when such amendment has received a public hearing, which hearing has been advertised and given fifteen day notice.

ARTICLE XI

Penalty

Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

ARTICLE XII

Saving Clause

The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

ARTICLE XIII

When Effective

This Ordinance shall take effect upon its passage.

ARTICLE XIV

Definitions

For the purpose of this Ordinance, certain terms are defined as provided in this section.

1. *Accessory Building* means a building subordinate to the main building on a lot and used for purposes customarily incidental to those of the main building.

2. *Advertising Sign*: A structure, building wall or other outdoor surface or any device used for visual communication which is employed for the purpose of bringing the subject thereof to the attention of the public, or to display, identify, and publicize the name and product or service of any person.

3. *Amusement Center* means an area, enclosed or unenclosed, supplying entertainment which is conducted on a basis of paid admission.

4. *Building, Non-conforming* means a structure which is lawfully maintained at the time this ordinance became effective and which does not conform with the regulations of the district in which it is located.

5. *Camp*: Any area of land on which are located two or more cabins, tents, trailers, shelters, or other accommodations of a design or character suitable for seasonal or other more or less temporary living purposes, regardless of whether such structures or other accommodations actually are occupied seasonally or otherwise.

6. *Frontage* means the length of the lot bordering on the public right of way.

7. *Home produce and products* means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household or the *bona fide* resident of any property.

8. *Hotel or Inn* means any building or portion thereof where lodging is offered to transient guests for compensation and in which there are more than five sleeping rooms with no cooking facilities in an individual room or apartment.

9. *Junk* means any old metals, old bottles, cotton or woolen mill waste, unfinished cloth, unfinished cotton or woolen mill yarns, old paper products, old rubber products, two or more unregistered motor vehicles which are unfit for use on highways, used parts and materials or motor vehicles, and other second hand articles the accumulation of which is detrimental or injurious to the neighborhood.

10. *Lot of Record*: Land designated as a separate and distinct parcel in a legally recorded deed and plan filed in the records of Rockingham County, New Hampshire.

11. *Mobilehome*: A home which is mobile, a unit similar to a trailer, but equipped with running water and sanitary facilities, bath facilities and toilet.

12. *Right of Way* means and includes all range roads, town, state, and federal highways and the land on either side of same as covered by statutes to determine the widths of the rights of way.

13. *Tourist Court, Cabins, Motel* mean any group or two or more detached or semi-detached buildings containing guest rooms or apartments with automobile storage space serving such rooms or apartments provided in connection therewith, which group is designed or used primarily for the accommodation of automobile travelers, in-

cluding groups designated as tourist courts, cabins, and motel developments.

14. *Tourist home* means any place consisting of a room or groups of rooms located on one premises where transient accommodations for sleeping or living purposes for not more than six persons are provided for a price.

15. *Trailer*: Any vehicle or similar portable structure having no foundation other than wheels, jacks or skirting, and having none of the following: Running water, sanitary facilities, bath facilities and toilet.

16. *Trailerpark*: A plot of ground upon which two or more trailers or mobilehomes, occupied for dwelling or sleeping purposes, are located, regardless of whether or not a charge is made for such accommodations.

17. *Use, Non-conforming* means a use which lawfully occupied a building or land at the time this ordinance became effective and which does not conform with the use regulations of the district in which it is located.

* * * *

12. To amend, or amplify the Building Code by the following addition to No. 1. (Minimum Building Code)

Permits for commercial tourist courts, camps and motels may be issued provided each rental unit shall have a minimum floor area of 150 square feet. Such permits shall be subject to the approval of the Building Inspector, Planning Board (or Board of Adjustment) and the Selectmen. A rental unit is defined as not more than one room containing not less than 150 square feet. If toilet facilities are to be included the space required shall be in addition to the 150 square feet. These units may be single or connected in series.

13. To see if the Town will raise and appropriate an additional sum of \$500.00 for the connecting and piping or present well, adjacent to the Town Hall, to the Town Hall and Grange Dining Hall, with freeze-proof shut-off and pumps in each building. This appropriation submitted without recommendation of Budget Committee.

14. To see if the Town will raise and appropriate the sum of \$250.00 for developing of a Town Beach and picnic area, subject to agreement being reached with the abutters, which is necessary before the State will transfer title to Town.

15. To see if the Town will raise and appropriate the sum of \$500.00 to paint the roof and outside of the Town Hall.

16. To see if the Town will approve of the change in price of cemetery lots from \$5.00 resident and \$25.00 non-resident to \$25.00 and \$50.00 respectively.

17. To see if the Town will vote to rescind Article 20, voted favorably at the annual town meeting March 12, 1957, which vote was "To see if the Town will vote for the purpose of record only to close the Mountain Road, so called, from the Raymond line to the road from Route 107 to the fire lookout on Pawtuckaway Mountain, the original closure of this road being ordered in the Town Clerk's that connot befound".

A. To see if the Town will vote to rescind any prior vote that may have been taken whereby the Mountain Road, so called, from the Raymond line to the road from Route 107 to the fire lookout on Pawtuckaway Mountain, may have been closed.

B. To see if the Town will vote to open Mountain Road to public travel.

18. To see if the Town will vote to affirm the action to be taken by the Selectmen in entering into a contract with the Developer, Gould H. Coleman, concerning the maintenance of the Mountain Road.

19. To see if the Town will vote to have the office of Chief of Police filled by appointment by the Selectmen in place of being an elected office.

20. As instructed by the voters at the 1959 town meeting, the Town Clerk compiled and presented a list of

local ordinances to the Selectmen for examination and recommendation.

The following recommendations were made:

A. That Article 5 in minutes of town meeting of March 11, 1952 be revised according to the plan presented by the Library Trustees at this meeting.

B. That Article 10 in the minutes of town meeting March 13, 1951 be rescinded.

21. To see if the Town will authorize the Selectmen to sell property acquired through Tax Collector's deeds and surplus equipment at properly advertised public auction, to accept or reject any or all bids and to dispose of same at their discretion, after it has been offered at such auction.

22. To see if the Town will authorize the Selectmen to borrow in anticipation of taxes.

23. To transact any other business that may legally come before the meeting.

Discussion of the Town Warrant will begin at 1:30 P. M.

HELEN V. GFROERER,
Town Clerk

REPORT OF TOWN CLERK

The list of Dog Owners compiled by your Selectmen during their 1959 inventory, consisted of 134 dogs in the town of Nottingham. The number of dog licenses issued was 129, which leaves 5 licenses uncollected.

For delayed licensing of all dogs after June 30, a fee of .50c is charged.

As your Town Clerk, I attended the N. H. Town Clerks' Association annual meeting held at Rye, N. H., on the 16th and 17th of September.

The Speaker was our late Secretary of State, Harry Jackson. Mr. Frederick N. Clarke of the Motor Vehicle Department answered many questions on the registration of automobiles. Marian Maloon was very thorough with her information on Vital Statistics.

I am very happy to say that my trip to the Historical Society and State Library in Concord, N. H. was quite successful.

There were complete records of Nottingham Town meetings from the years 1766-1837. The ink and paper, both being faded, were in quite good condition, while some records were very brittle.

The records of Town Meetings from 1838-1914 are still a mystery as to their whereabouts, but the Town meeting records from 1915-1940 were intact.

I copied the ordinances that might still be in effect from these records, which I was instructed to do at the last Town Meeting.

Here is a list of the volumes of records recorded under the "Town of Nottingham" at the N. H. Historical Society,

Concord, N. H.

1766-1795	Vol. 2
1796-1811	Vol. 3
1812-1937	Vol. 7

1915-1940	Vol. 14
1839-1874	Vital Records
185?-.....	Writs
1891-1897	Dog Licenses
1889-1935	Fire Insurance
1839-1876	Vol. II
1856-1914	Vol. 13 (This is not Town Meetings Rec.)
1866-1920	Mortgages

Besides the old ordinances put in your Town Warrant for revoting, I found two ordinances of historical interest, which I copied in their original form.

March 25, 1774

Article 3. To see if the Town will choose a committee to inspect into the management of the Tory's in this Town if any be and advise them to be silent and peaceful in this day of difficulty and also to take care of what shall be raised for the poor Sufferer's of Boston and see it is sent to them accordingly.

Article 4. To see if the Town will vote to have a sufficient stock of ammonition and other stores as the law directs at the Town's lost. Dated at Nottingham aforesaid this fifteenth day of October A.D. 1774.

ANNUAL REPORT OF THE FIRE CHIEF

The Fire Department answered very few calls in 1959 and we hope it will remain to be a good record for 1960. Thanks to the townspeople and camp members.

The Fire Department will burn the dump through the dry parts of the year, the men thereby gaining some experience in using the equipment. Those who wish to burn rubbish of any kind contract your fire warden and get your permits, Epping 3328.

As Fire Chief I would like to thank all who donated both time and services to make our Fourth of July Celebration a success.

Our meetings are held the first Tuesday of each month at the Fire House and visitors are always welcome.

REPORT OF CIVIL DEFENSE DIRECTOR

As has been the policy since assuming the job as Director of Civil Defense for the Town of Nottingham back in 1957; all ordinary operating expenses, such as, postage and stationery, traveling expenses (gasoline and oil) have not been charged to the Town.

During the last war the Town of Nottingham borrowed 25 cots from the Dover Chapter of the Red Cross, to be used in any emergency.

At present the Town of Nottingham owns its own cots. The following is a list of Civil Defense material on hand.

Inventory

- 45 Army cots with canopy mosquito netting.
- 8 Gas masks.
- 2 Smith & Wesson 38 calibre revolvers.
- 1 Emergency water carrier.
- 1 Oxygen breathing apparatus.
- 2 Fire extinguishers.

Drills during 1959 were mainly for the efficient evacuation of school children to their respective homes. It is hoped that some type of underground shelter can be provided in the very near future.

Nottingham is designated a RECEPTION CENTER in State planning. We would receive evacuees from the Hamptons.

I wish to thank everyone for their close co-operation during the past year. We still have about 10% of the entire population actively engaged in Civil Defense, which is quite some record for a small town.

Respectfully submitted,

HUBERT E. INGALLS,
*Director Civil Defense,
 Town of Nottingham*

REPORT OF THE ROAD AGENT

I am pleased to report that all the special appropriations passed at the last Town Meeting have been fulfilled as follows:

The seal coat for the Town Hall Yard has been applied.

Tarring of Long Hill has been extended 3/10 of a mile.

The hazardous curve at McKenna's Corner has been eliminated and, of course, this will make it easier to maintain.

In reference to the Camp roads: I have tried to distribute the gravel equally. Next year I hope to continue in this same manner.

The Town has acquired the new wing for the second truck and it is proving to be very satisfactory.

The tarring operations have also been continued from the previous year: 6/10 of a mile on Kelsey Town road, 6/10 of a mile on Freeman's Hall Road and we applied two miles of seal coat.

PHILIP FERNALD
Highway Commissioner

REPORT OF CHIEF OF POLICE

This, I submit as my first report as Police Chief. During the year, I have tried to build up a system of night patrols, so that the entire town has been covered at random intervals, at random hours. "Random" is important because a police car must always be unexpected. "Night" is likewise important because wrong doers and fire most often strike then, when none are alert to observe. These patrols have averaged more than fifty miles weekly.

In the vacation season, especially, I can see opportunity for betterment of the patrols, through the experience of this season just passed, and for improved contacts with our summer people. I also plan to improve and extend the equipment carried in my car. Currently it includes crow bar, wrecking bar, town chain, fire extinguisher — courtesy of Nottingham Fire Dept. — and red flashing light. During deer season, I made extensive weekend patrols through areas where the hunters seemed to be the most numerous so as to be as available as possible in the event of emergency. These runs were in addition to the usual night runs.

Last spring there was a rash of breaks into unoccupied summer homes. Cooperation with State Police enabled them to clear these up in conjunction with other breaks in neighboring towns. Those boys are right now in Concord. We have also had a number of abandoned cars to clear up. All were the results of the hazards of motoring — or of coon hunting! Out of gas, flat tires, mechanical failure, etc. We also had a few cases of malicious mischief. These did not become a habit, and were not repeated in any instance.

Looking ahead, we can see where the expansion plans of the State and of such as Cahill Realty, can affect this department. Such large numbers of new temporary homes, with such large numbers of transient people, can well pose

problems in law enforcement. These same unoccupied homes, with valuable — and movable property in them will also require added protection during the off season. These matters are for the future, though. When the need arises, there will be the added revenues to take care of the need. However, thought should be given the matter, so that it will not spring suddenly upon us.

I also am working on plans for a greater degree of co-operation between our neighboring towns, by means of a series of meetings at regular intervals, or something of that nature. We have established a good contact with the sheriff's office, and we have had excellent cooperation with the State Police. These contacts are important because, in this day of rapid transportation, their wider scope of activity finds much that we never would know about. Our department is part time. Theirs is full time, and with facilities that we never could hope to have. Cooperation to the fullest is the answer.

In short, during the past year, I have tried to make the most of our resources of time and of money. We have tried to make the work systematic, and really useful. A community effort, such as the Firemen's Carnival, I believe, deserves and should receive, the gratuitous support of this department. This was given. Any other community effort where such work would be useful would receive the same consideration. We need more such community efforts. The Halloween Party for the children has been a good thing, and the sponsors deserve the thanks of everybody. I have avoided this, as I did not feel it to be a proper place for a cop. He could spoil the atmosphere!

I do not believe that the police department requires any increased expenditure at this time. Any small increases could not improve matters, and any big expenditures are not warranted. We all should remember that our small towns live only as their citizens devote their spare time — and some that isn't — to keeping them functional. When the small town has to create and pay for full time work, it

will be well on the way to oblivion. If we like our way of life; if we want to keep our town functional; we must expect to do a lot of work, the only compensation for which is the satisfaction of a job done. Your police department has tried to keep this in mind, as it has also tried to keep in mind the advice upon a card up in the West Nottingham Post Office which concerns starting vast projects with fractionally vast ideas!

Respectfully submitted,

FRANK J. SPOFFORD

ANNUAL REPORT of the LIBRARY TRUSTEES

The Trustees of the Nottingham Public Library take pleasure in tendering the following report to the people who so generously supported it.

The Library room has been furnished and equipped so that it compares very favorably with any small one room library. Several surprised and unsolicited comments from strangers attest to this fact. It would be nice if more people would come to see it and use it.

A book exchange system with nearby libraries was instituted this past year. So far we have restricted our exchanges to Epping.

With the advice, consent and cooperation of the State Library many of the books on our shelves which had not been in circulation for two years or more were cleared out to make room for current material. Many of the titles were given to a library just starting in Pelham, N. H. Nottingham Library received a note of thanks from the State Library and one from Pelham Library.

A new procedure of allowing more than two books on one card and automatically removing them once has been started to give better service to adults. For many reasons it isn't always possible for one to get to the Library on the day a book is due.

Beginning this fall it seemed it would serve the interests of the school personnel better and interfere less with school routine if an adult took care of the Library during school hours. The Trustees, therefore, have been serving as librarians for the students during school hours on Wednesday.

The awards for National Library Week which were started in the Spring of 1958 for seventh and eighth grades

were continued in 1959 and further extended to include all grades. Gifts, also, were given to the eighth grade girls who served as Library Aides.

A savings account for the "future" Nottingham Public Library was opened. To date, it consists of \$112.00 interest on the Thomas E. Fernald Library Fund and the \$100.00 the Trustees received for sorting the town's old papers which was donated by them to this account.

Regarding the old postage and revenue stamps that were sent to an expert for cataloging and appraisal, as they were not being offered for sale, the appraisal was on an informal basis. The report indicated that some of them may be of considerable value. Any further step is in the hands of the people. The stamps are in the safe in the Town Hall.

REPORT OF FIRE WARDEN

Prevention Is Everybody's Business

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.

5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 1.

Number of acres burned, 6, grass.

Number of permits issued, 32.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Nottingham:

The Nottingham Elementary School was organized in September, 1959, as follows:

<i>Grade</i>	<i>Teacher</i>	<i>No. Pupils</i>	<i>Total in Each Room</i>
Grade I	Shirla Smith	14	27
II		13	
III	Carrie L. Bartlett	12	24
IV		12

Other Staff Members Include the Following

School Nurse-Teacher	Mrs. Frances L. Harvey, R.N.
Music Supervisor	Mrs. Helen Gfroerer
Handwriting	The Rinehart Service
Custodian	Mr. John H. Travis

Nottingham tuition pupils have been attending outside the district as follows:

Nottingham Pupils Attending:	9	10	11	12	Total	Tuition Rate 1959-60
Dover High School	4	2	3	4	13	\$347.00

Raymond High School	3	1	1	1	6	320.00
Newmarket High School				2	2	388.00
Total	11	8	10	11	40	

The Nottingham School has been equipped with a 21" General Electric TV set. This media will be used to supplement and enrich the present curriculum. WENH-TV, Channel 2, is currently presenting programs in social studies, mathematics, science, and foreign languages.

A new Bell and Howell movie projector has been purchased. This addition can be useful in many areas of instruction as well as for entertainment. Maximum use should be made of it.

The staffing of our schools with well trained and adequately prepared teachers is still a critical problem. A continued shortage of teachers in all areas of instruction and the demand for additional teachers is an acute situation in New Hampshire. A poll taken recently at the Southeastern Superintendents' meeting indicated that there will be needed 131 additional teachers in this area next year. Consequently, the community should exercise every financial effort to retain their better and experienced teachers.

In our American Democracy, the education of our children and the financial support of our schools is largely the responsibility of the local community, however, few people realize the scope of this expenditure in Supervisory Union No. 44, which includes your community. The following data will be of interest to you:

SCHOOL DISTRICT APPROPRIATIONS, 1959-60

In conclusion, may I say that during my four and one-half years as your superintendent, many changes have occurred. Because of these changes I am all the more appreciative of the constant cooperation given me by the school board, citizens, teachers, and students.

RAMON MARTINEAU

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

During the past year, as part of the school health service, all the pupils in the school have had health inspections, which include height, weight, vision, teeth and tonsils. Whenever defects were found the parents were informed either by a house call or a letter. Parents have been very cooperative in having these corrected.

A health questionnaire was sent out to all parents in order to bring the health records up to date, so that as complete a record as possible can be kept on each child.

In May a well attended Pre-school Clinic was held. These are valuable in order that parents may have the opportunity to have any defects noted corrected before school begins in the Fall.

I would like to take this opportunity to thank Mr. Martineau, the School Board, the teachers and parents for their helpfulness during the past year.

Respectfully submitted,

FRANCES L. HARVEY, R.N.
